RESPONSE TO PRE-INTERVIEW COMMUNICATION

Sir:

I would like to request a telephone interview on April 17, 2009 at 11:00am EST. Please consider the following topics for discussion:

Proposed amended claims 1, 18 and 27

1. (Currently Amended) An apparatus for the collaborative authoring by a plurality of clients of documents for storage in a repository, said apparatus comprising:

a controller, in a computer system, for processing and responding to client requests for authoring said documents, wherein said processing is performed in a transactional manner, ~~wherein~~ said documents define a document model and ~~wherein~~ said controller ~~adapted to maintain~~ maintains a repository adapter document model subset from documents processed in accordance with said client requests,
